

Together we're creating a cleaner energy future for Oregon.

Thank you for joining Energy Partner.

Agriculture | Golden Valley Farms **Cold Storage** | Alpine Food Distributing • Golden State Foods • Henningsen Cold Storage Co., Salem • J&D Refrigerated Services • Organically Grown Company
Education | Corban University • Oregon Museum of Science & Industry • Willamette University
Food and Beverage | Alpenrose Dairy **Industrial** | Carl Diebold Lumber • Hardwood Industries, Inc. • Leupold + Stevens, Inc. • Northwest Polymers • Specialty Polymers • Stimson Lumber Company • Supreme Steel **Municipality** | Clean Water Services • Portland Water Bureau

By shifting their energy use for just a few hours when demand is high—usually on very hot summer or cold winter days—these businesses are earning money while helping keep energy prices lower for everyone.

Join these leaders in sustainability and energy stewardship as we power Oregon's energy future together.
