

SCHEDULE 16
ELECTRIC VEHICLE POLE CHARGING DEMONSTRATION PROJECT

PURPOSE

The Electric Vehicle (EV) Pole Charging Demonstration Project aims to evaluate the viability and effectiveness of installing charging stations on PGE-owned distribution poles. This schedule is a supplemental service that governs the use of PGE's demonstration charging stations for use by EVs. This schedule does not impact, replace, or otherwise modify any base retail service under which a customer is currently served by PGE. This schedule is designed solely for the limited use of electricity as a transportation fuel.

DEFINITIONS

EV User – An EV driver or operator who uses the EV Charger. This is not limited to PGE retail customers.

EV Charger – A level 2 charger installed on a PGE-owned distribution pole that can provide service at approximately 7 kW.

Clean Fuels Credits – Non-monetary asset generated by EV Chargers under Oregon's Clean Fuels Program.

Session – Each unique charging event in which a customer connects an EV to an EV Charger.

AVAILABLE

This schedule is available for public use to all EV Users of PGE's EV Chargers.

APPLICABLE

To PGE's EV Chargers. The EV Chargers under this schedule are limited in quantity to two, with locations available at PortlandGeneral.com.

SESSION RATE

Service provided under this schedule will be provided at no cost to the EV User.

SCHEDULE 16 (Concluded)

SPECIAL CONDITIONS

1. PGE will monetize and provide a credit to customers the value of the Clean Fuels Credits generated by the EV Chargers.
2. PGE may restrict charging to a limited duration to ensure customers are not overusing the EV Charger.
3. PGE may reduce charging speeds during Peak Time Rebate Events called under Schedule 7.
4. EV User-owned EV chargers are not eligible for service under this schedule.

TERM

This demonstration project is active until December 15, 2020.
