

Portland General Electric Company
TARIFF UPDATE ANNOUNCEMENT

April 20, 2020

RE: Advice No. 20-04, Community Solar Program Interconnection and Power Purchase Schedule

PGE initially filed Advice No. 20-04 with a requested effective date of April 8, 2020. After discussions at the April 7, 2020 OPUC Public Meeting, PGE made a compliance filing on April 17, 2020 pursuant to Commission Order No. 20-122.

This approved filing establishes standards for interconnection of Community Solar Program (CSP) Projects to PGE's transmission and distribution system and contractual terms for the CSP Power Purchase Agreement. The following sheets to PGE's Retail Tariff are effective on April 20, 2020.

Thirty Second Revision of Sheet No. 1-3

Original Sheet No. 204-1

Original Sheet No. 204-2

Original Sheet No. 204-3

Original Sheet No. 204-4

Original Sheet No. 204-5

Original Sheet No. 204-6

Original Sheet No. 204-7

PGE's retail Rate Schedules and Rules can be found at: www.portlandgeneral.com/our-company/regulatory-documents/tariff If you have questions on tariff notifications, please contact, mary.widman@pgn.com.
