RE: Advice No. 20-23 Updates to Schedule 13 Residential Testbed Pilot

The Public Utility Commission of Oregon approved the following sheets to PGE's Retail Tariff which are effective **October 7, 2020**:

Twenty Eighth Revision of Sheet No. 1-1
Second Revision of Sheet No. 13-1
Second Revision of Sheet No. 13-2
Original Sheet No. 13-3
Original Sheet No. 13-4

This approved filing updates Schedule 13 Residential Testbed Pilot to expand the Testbed beyond the current behavior-based Peak Time Rebate (PTR) to include two new, small-scale demonstrations of direct load control of two technologies: ductless heat pumps and heat pump water heaters.
